Announcing SotM 2016

We are delighted to announce that State of the Map 2016 will be held in Brussels, Belgium. The conference will be in the third quarter (Jul-Aug-Sep) of 2016.

Thank you to all teams who submitted a proposal. The quality of the bids was fantastic and it was pleasure reviewing them.

We are currently working with the Brussels team to formalise the plans and will keep this website updated as we can share more. See you in 2016 in Brussels!

The logo for FLOSS4G Bonn 2016 features the text 'FLOSS4G' in a bold, sans-serif font. 'FLOSS' is green, '4' is blue, and 'G' is green. To the left of the text is a stylized grey icon of a computer monitor or tablet. To the right of 'FLOSS4G' is the word 'BONN' in dark blue, with '2016' below it. Below the main title is the text '24th - 26th AUGUST' in dark blue. The entire logo is set against a background of a river and a cloudy sky.

[Dutch] op de fiets naar FOSS4G in Bonn in 2016

Het is nog heel ver weg (22-26 augustus 2016), maar ik had laatst het idee dat het wel leuk kan zijn om op de fiets naar Bonn te gaan, een sportieve inspanning om al die biertjes op FOSS4G te compenseren.

Vanaf Utrecht is het ongeveer 250 km met de fiets, dus een fietstocht in 2 (of desnoods 3) dagen zou misschien leuk zijn.

Als er mensen zijn die dit ook leuk lijkt, dan kom ik er graag mee in contact om t.z.t. een en ander te gaan plannen.

Groeten,
Bart
